

February 2004 meeting of the Mt. Diablo Branch of CWC

Photos by Hunter Anderson

The meeting took place at our new Hungry Hunter location - Lafayette.

Branch President Laura Fischer

**made several announcements
and called for guests
to introduce themselves.**

After we met the guests, Liz Pentacoff, director of California Authors Night, gave description of the event. She and Jack Russ covered the room selling tickets.

Camille Minichino, our resident mystery writer, introduced guest speaker, Ann Parker.

Before the event got started, Ann Parker made a startling transformation!
