 Some of these pictures make use of "mouse-overs" or "tool-tips." Place your mouse pointer over the green smiley - if a message doesn't pop up, you're going to miss seeing a lot of data that's hidden within almost all the pictures!

The meeting took place at Hungry Hunter in Lafayette

The money-takers

Branch President Jack Russ welcomed the group, called for guests to be recognized, and made a few announcements. An important one: "We're selling tickets for [California Authors Night](#) and the star performer is visiting us today."

Speaker chair, Liz Pentacoff, introduced surprise guest Kurt Gravenhorst, who told us about preparing for his Authors Night role as F. Scott Fitzgerald. Liz then introduced our guest author, Joshua Braff.
