CWC WELCOMES JOURNALIST MARTY NEMKO

"How To" writing sells, and it's a great way to boost your freelance career. Just ask expert Marty Nemko, whose column appears weekly on Page 1 of the Sunday **San Francisco Chronicle** employment section. He has written over 400 articles in publications such as **Family Circle**, **New York Times** and **Kiplingers Personal Finance** magazine. He targets core needs and zeroes in on helping the reader get what he or she wants. His most recent book, *Cool Careers for Dummies*, was the #1 rated career guide in the Readers' Choice poll and made the **Wall Street Journal** national business bestseller list. He has been career coach to over 2,000 clients, and has a 97% client satisfaction rate. He is also an education expert. Nemko is a frequent guest on CNN, ABC, and PBS, and the regular career and education expert on CNN Local Edition. He will speak about how he has managed to write so many articles and books while working full-time on non-writing pursuits and how he has gotten all of them well published despite being totally averse to schmoozing.
