Our Speaker - **Doctor Eric Maisel** - The Photogenic Psychologist

Rehearsing their lines - Fran Wojnar and Al Garrotto take the parts of author and editor in a one-on-one interview. The "practice what you're going to say" technique will help your blood pressure during these stressful moments when they occur for real.

Five-minute speaker, Susan Taylor Brown, told of the role of perseverance in realizing your dreams, i.e., success!

CWC member and Diablo Books owner, Kim Brandt (seated), handles sales of the main speakers' books at our meetings.
